What should we do? What???? People will get hurt!!
Uh well...
punch
WHINE!
Silence ~~~
I think I just heard animal abuse....

Dear, Only You Don't Know!

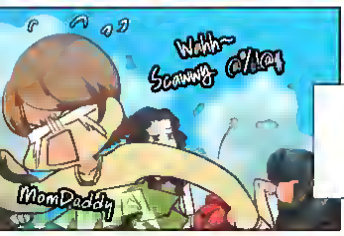
season 2

Women, Hide Your True Feelings! 10

This little guy is a Rottweiler guard dog that boasts of great strength and

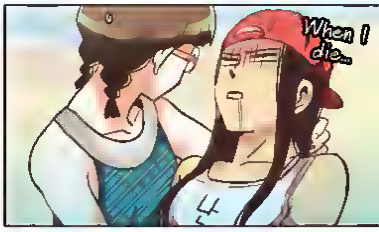
he's very smart, loyal, and strong,

but because of his frightening power and violent nature, he is considered one of the breeds noted to have caused most human injuries.



Because of this guy's sudden appearance,

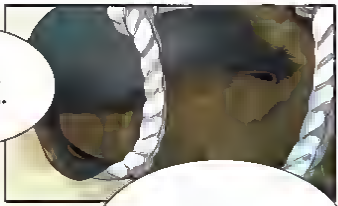
many victims were assembled during the Unity Camp.



I saw a black chunk running around so I thought it was a bear and punched it...
But it was just a dog.
It's not just any dog. It's a Rottweiler.
It's an extremely dangerous and ferocious dog.
Why do I get the feeling the President would've won even if it really was a bear.

But isn't this rope you use on the boat?

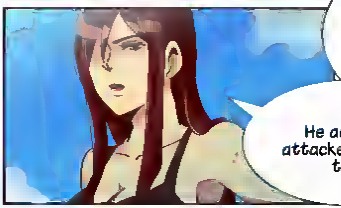
It looks painful...



You can't exactly find a leash around here so it's a makeshift measure.

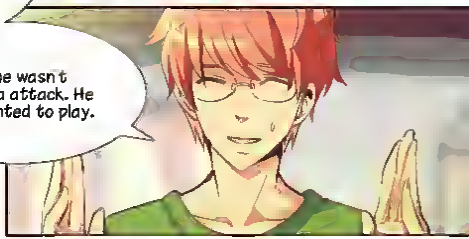
It's dangerous to let him run loose just because you pity him.

He actually attacked people, too.

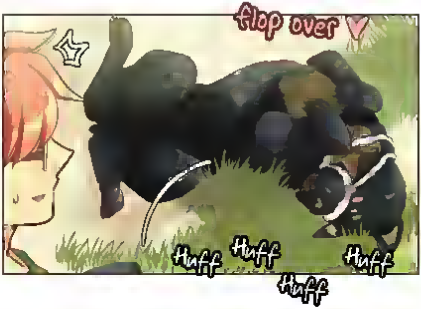


It might be too late to say this now,

but he wasn't trying to attack. He just wanted to play.



Play?
Let's play ♥
Play with me ♥
Teaher ♥
The second time he wants to play, a weak-hearted person will easily push up daisies.
All things aside, wasn't this a deserted island?
Where did this Rattweiler came from?
Haw would I know?
Maybe it s an abandoned dog?
I heard same peaple abandon their pets an islands sa they can t ga back hame.
Ah! He s awake.
Rise
This isn t Just an abandoned island. It s a private praperty.
Not any baat can dock here without permissian.
Hella!
look around



flop over
Huff

Huff

Haha, good boy.
What's he doing?
Huff

Huff
Huff

He's happy.
I get that... But... How should I put it...
Whimper

Huff

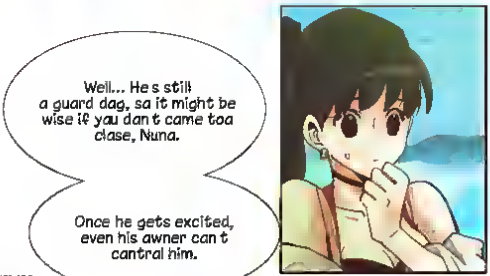
I heard Rottweilers were very weary of strangers.
They wouldn't typically roll over and show their bellies in front of people they see for the first time like that.

It's hard to get past a breed's typical traits, but each individual dog does have their own personality.
I think he's just particularly full of energy.
huff huff huff ♥
whim-pers ♥

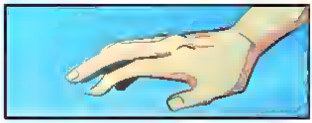


Well... He's still a guard dog, so it might be wise if you don't come too close, Nuna.
Once he gets excited, even his owner can't control him.

T/N: BIG MONSTERS/ENEMIES ARE REFERRED TO AS "MOBS" AMONG GAMERS IN KOREA.

Well anyways.
What's he doing here?
Hey kiddo, what brought you here?

Me! Swim in Ocean!!!
I like swimming so much!!!
I swim really good!!
But loud thing more more fast!
So fast I lost it!!
Swim?
Lost it?
My eyes don't see!!
I don't know where Hyungs go.
But it's okay!
I'm really healthy!
I can keep keep swimming!
Could it be...



Hey! You said it was a f**kin expensive dog! It s trash!

Who d know it was handicapped?

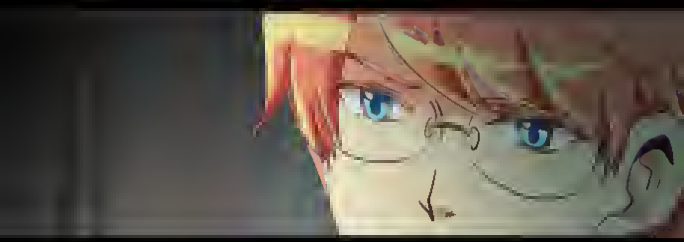
Put him back.

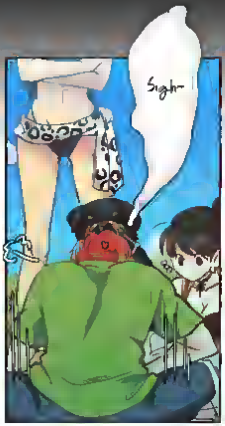
Argh so bothersome.

Hey! I Just got a good idea! I must be a genius.

What idea?

...





Sigh~

What's wrong?

This little guy can't see.
He's blind?

Come to think of it, he did seem a little strange.
Completely off attack
Those guys knew...
And they pushed him into the sea intentionally.
Hey! I just got a good idea! I must be a genius.
What idea?
When we go fishing tomorrow, we could just push it into the sea.
Doesn't that sound f**king awesome?
Kekeke You bastard. Kekekeke Let's make a video of it. Kekekeke
Kekeke A swim of eternal pain. Kekekekekeke
Even though there are lots of crazy bastards these days...
That's terrible. What kind of people are they!!

In order to find out more details, I think I'll need some more time.

I swam a lot.

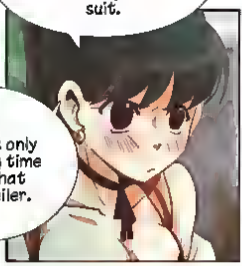
Now I wanna see daddy!

I kindo feel left out.
Yes...
I also feel left out.
gloom~
gloom~

What's wrong?! Why have you become so old all of a sudden???
Frustrated
Frustrated
Sensitive
Something happened.

You don't look all that well either, Ari-ssi.

That dummy won't even take a look at my swim suit.



And he's only spending time with that Rottweiler.

Ari-ssi and I are both victims of that big dog.

What do you mean?

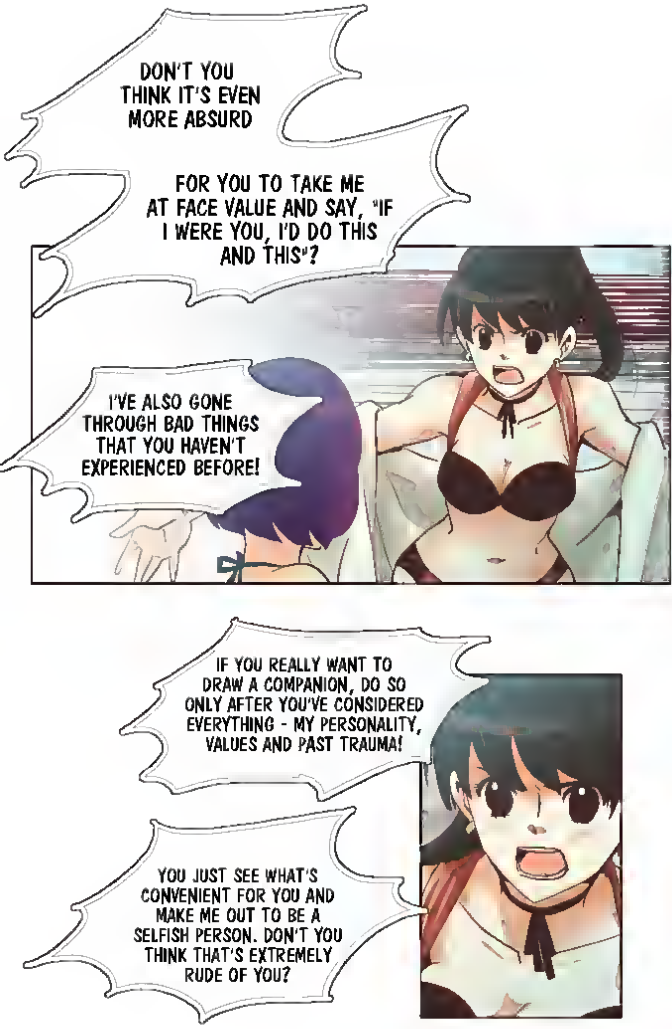
I told you. Something happened.

Sigh~ I don't know anymore. Maybe I rank lower than a dog on SeoJin's list?

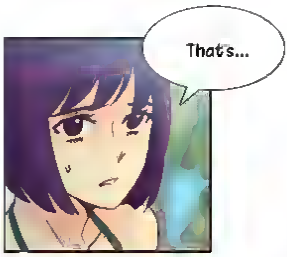
That sounds strange coming from you.

You work at a shop with animals

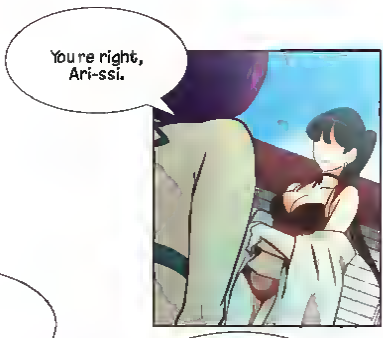
Anyhow, I don't think I'm cut out for dating anyone.
Maybe I should just save up some money and go on a blind date to get married.
ANGER
It's not that you're not cut out for dating people.
Your useless pride is the only thing keeping you from doing it.
HOW CAN YOU TALK LIKE THAT?
That's what it is.
A cute person like you blathering about how you're not cut out for dating.
To be honest, it makes me mad when someone like you says things like that.
If I were Ari-ssi, I wouldn't hesitate and fumble around like that.
ANGER



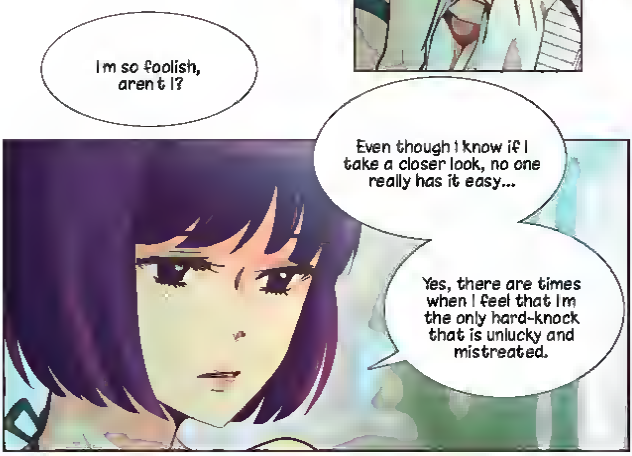
DON'T YOU THINK IT'S EVEN MORE ABSURD
FOR YOU TO TAKE ME AT FACE VALUE AND SAY, "IF I WERE YOU, I'D DO THIS AND THIS"?
I'VE ALSO GONE THROUGH BAD THINGS THAT YOU HAVEN'T EXPERIENCED BEFORE!
IF YOU REALLY WANT TO DRAW A COMPANION, DO SO ONLY AFTER YOU'VE CONSIDERED EVERYTHING - MY PERSONALITY, VALUES AND PAST TRAUMA!
YOU JUST SEE WHAT'S CONVENIENT FOR YOU AND MAKE ME OUT TO BE A SELFISH PERSON. DON'T YOU THINK THAT'S EXTREMELY RUDE OF YOU?



That's...



You're right, Ari-ssi.



I'm so foolish, aren't I?
Even though I know if I take a closer look, no one really has it easy...
Yes, there are times when I feel that I'm the only hard-knock that is unlucky and mistreated.

Ari-ssi has done nothing wrong...
I'm sorry.

What The Readers Don't Know

The author and Assists that had a hard time drawing an unacquainted Rottweiler....

We really worked like this.
